HON'BLE SHRI JUSTICE NOOTY RAMAMOHANA RAO

Writ Petition No. 10571 of 1998

The issue that has fallen for consideration in this writ petition relates to the regularization of the services of the writ petitioner in the first respondent Corporation.

The claim is rested on the interpretation to be placed on Act 27 of 1998. It has been brought to my notice that the same question was engaging the attention of the Supreme Court in SLP Nos.5834 – 5836 of 2001 and batch of cases. It is also brought to my notice that by an order dated 10.9.2001, the Supreme Court has directed the respondent's Corporation to maintain status quo obtaining as on that date.

In this view of the mater, it is only appropriate that issue relating to regularization of the services of the writ petitioner can be considered by the first respondent Corporation based upon the final judgment to be rendered by the Supreme Court. Till such time, the *status quo* obtaining as on today be maintained by the first respondent Corporation with reference to the writ petitioner.

Based upon the judgment to be rendered by the Supreme Court in the aforementioned cases, the question of regularization of the services of the writ petitioner or otherwise be decided within three months thereafter.

With this the writ petition stands disposed of. No costs.
